Hi Kaitlyn,

Jumping in for Pam who attended your call earlier today and was super helpful, I'm sure!

1. CDU = Communicable Disease Unit. The COVID CDU Team was created as a specialized team within the CD Unit soon after the Pandemic began, as there was no capacity within the original CD Unit to take on the huge number of COVID 19 cases and all the follow up that was involved.
2. Agenda as follows:

Agenda

1. Check-in/Roll call
2. Review of Cases/Situation Update
3. Action Items
4. Equipment
5. Staff Cohorting
6. Infection Control
7. Communications
8. Immunizations
9. Testing
10. Other Control Measures
11. Roundtable
12. Position Changes
13. Next Meeting

Let us know if you need anything further.

Thank you,

Subject: Tow follow up questions from conversation with OSA

Hi

Thanks again for your willingness to engage with us about your process... it was really a helpful conversation.

I have two follow up questions...

1. What is the CDU acronym in the "COVID CDU team" (did I get that right?)
2. Would you be willing to share your agenda for the daily outbreak teleconferences?

Thank you and take care!
